Optional SIM-Card ¹ monthly usage fee		4,10 €	4,10 €

¹ SIM card for data transmission only (no telephony) in connection with the terminal, including basic fee and domestic connection costs. Any costs incurred through other use will be charged separately. The SIM card can only be obtained and used in conjunction with a terminal contract operating on the VR Payment POS network. The SIM card remains the property of VR Payment GmbH. Termination of the terminal contract automatically terminates the right to use the SIM card. The SIM card must be destroyed immediately after termination of the contract. A processing fee of €11.00 will be charged for any subsequent SIM card orders.

Transaction prices

Transactions subject to fees include all payment, credit and cancellation transactions, as well as administrative transactions, prepaid top-ups, voucher top-ups, easyCredit installment purchases, cash register closings and activation.

Transaction (Tx) prices apply per terminal/month from the first transaction

Fixed price per transaction, regardless of the transaction volume	RRP	0,08 €
